

A DIFFERENT KIND OF SWEET POTATO

This is Sisu.

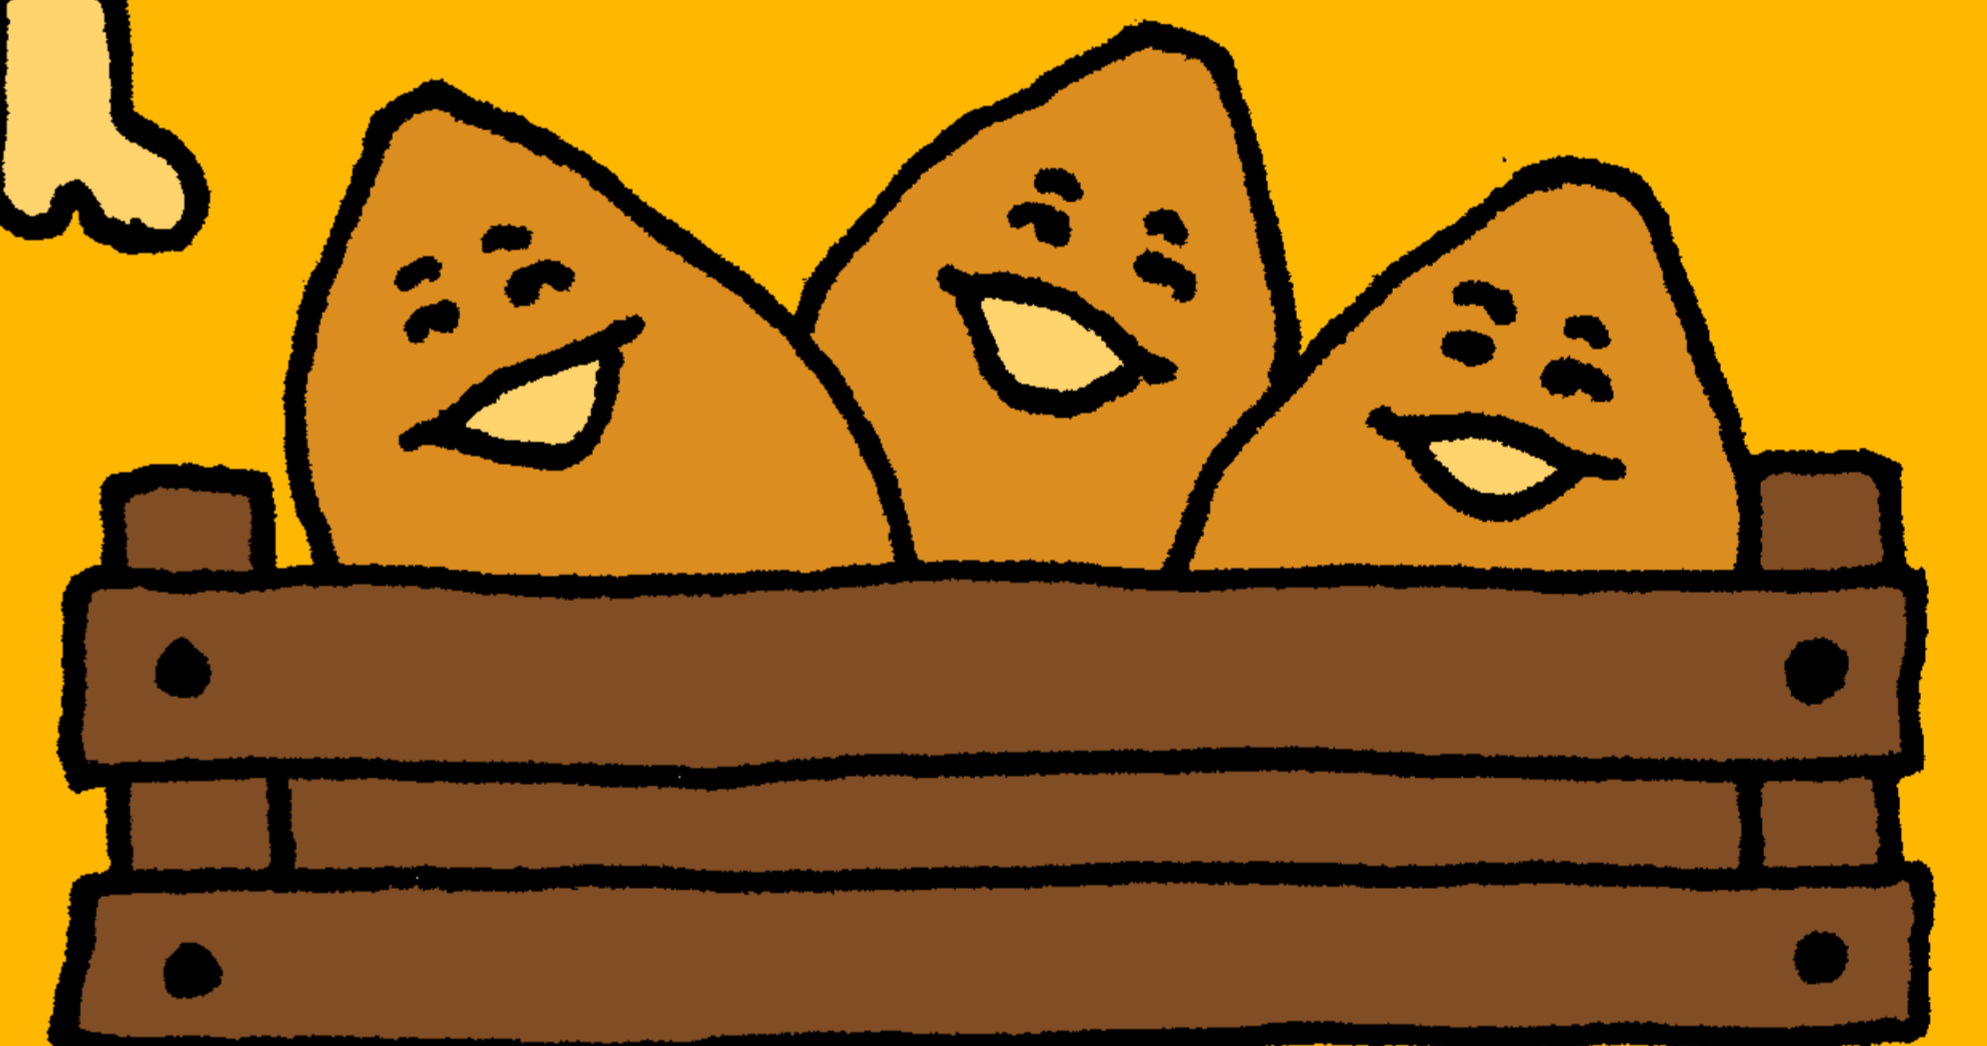

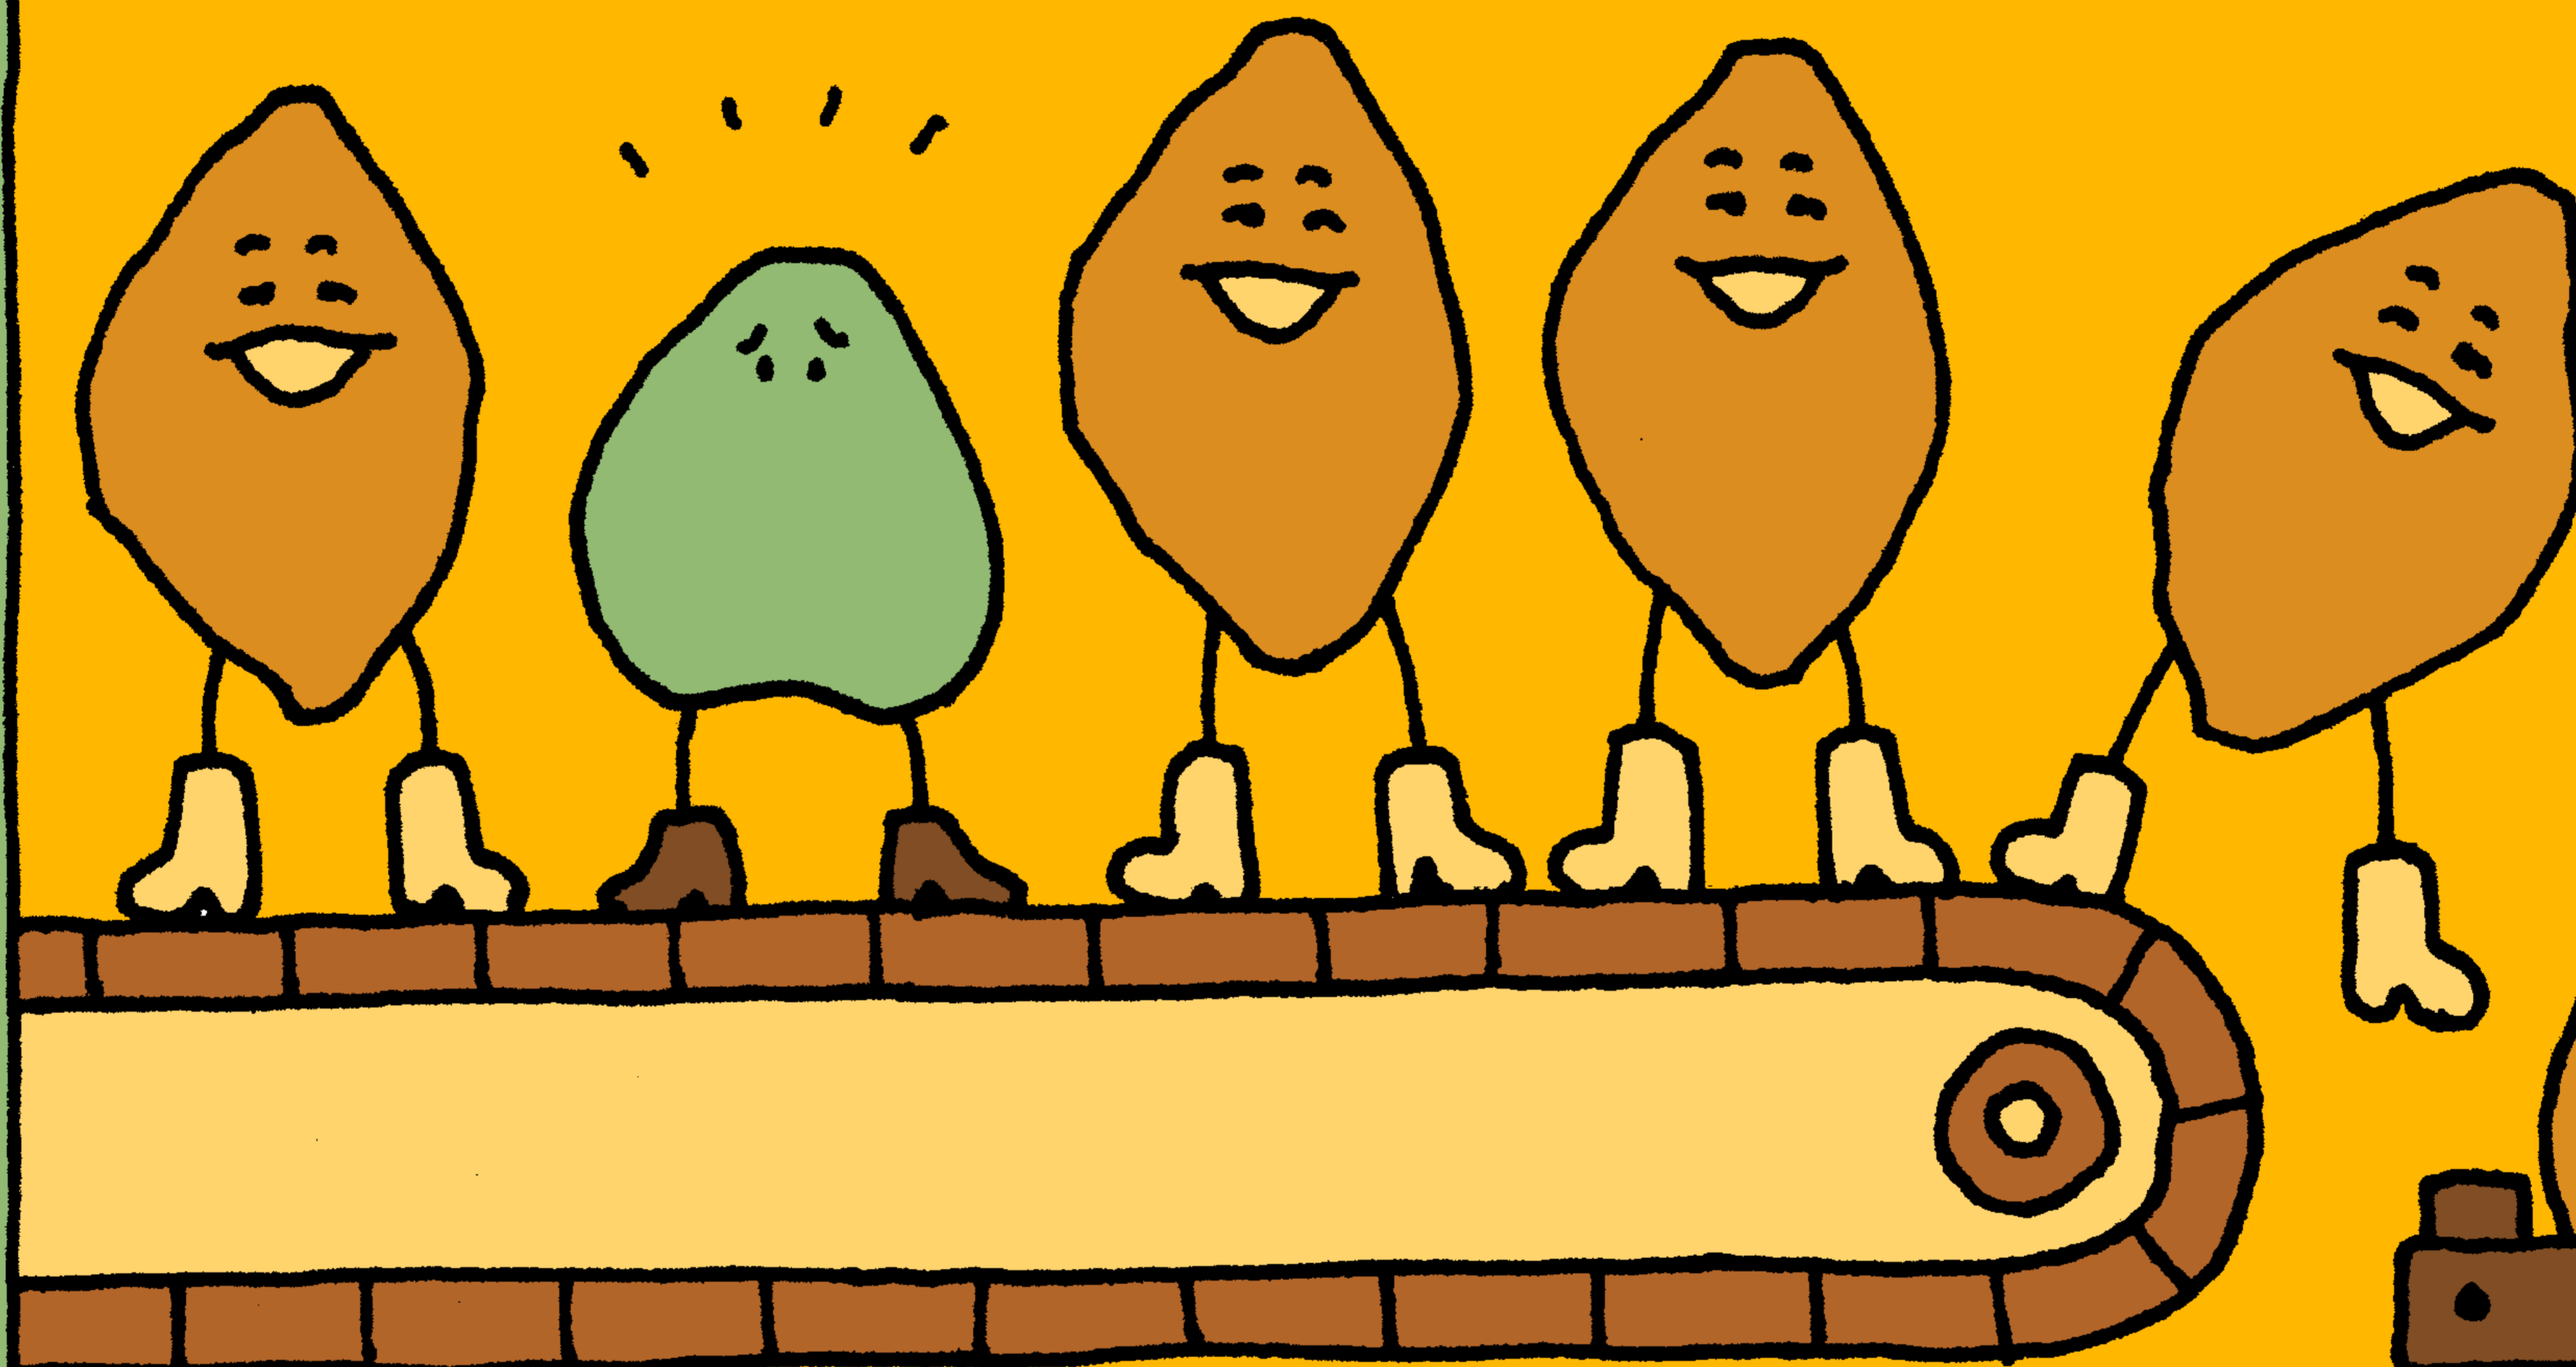

That's right.
He's a sweet potato.

For a long time Sisu thought that he was
totally different,

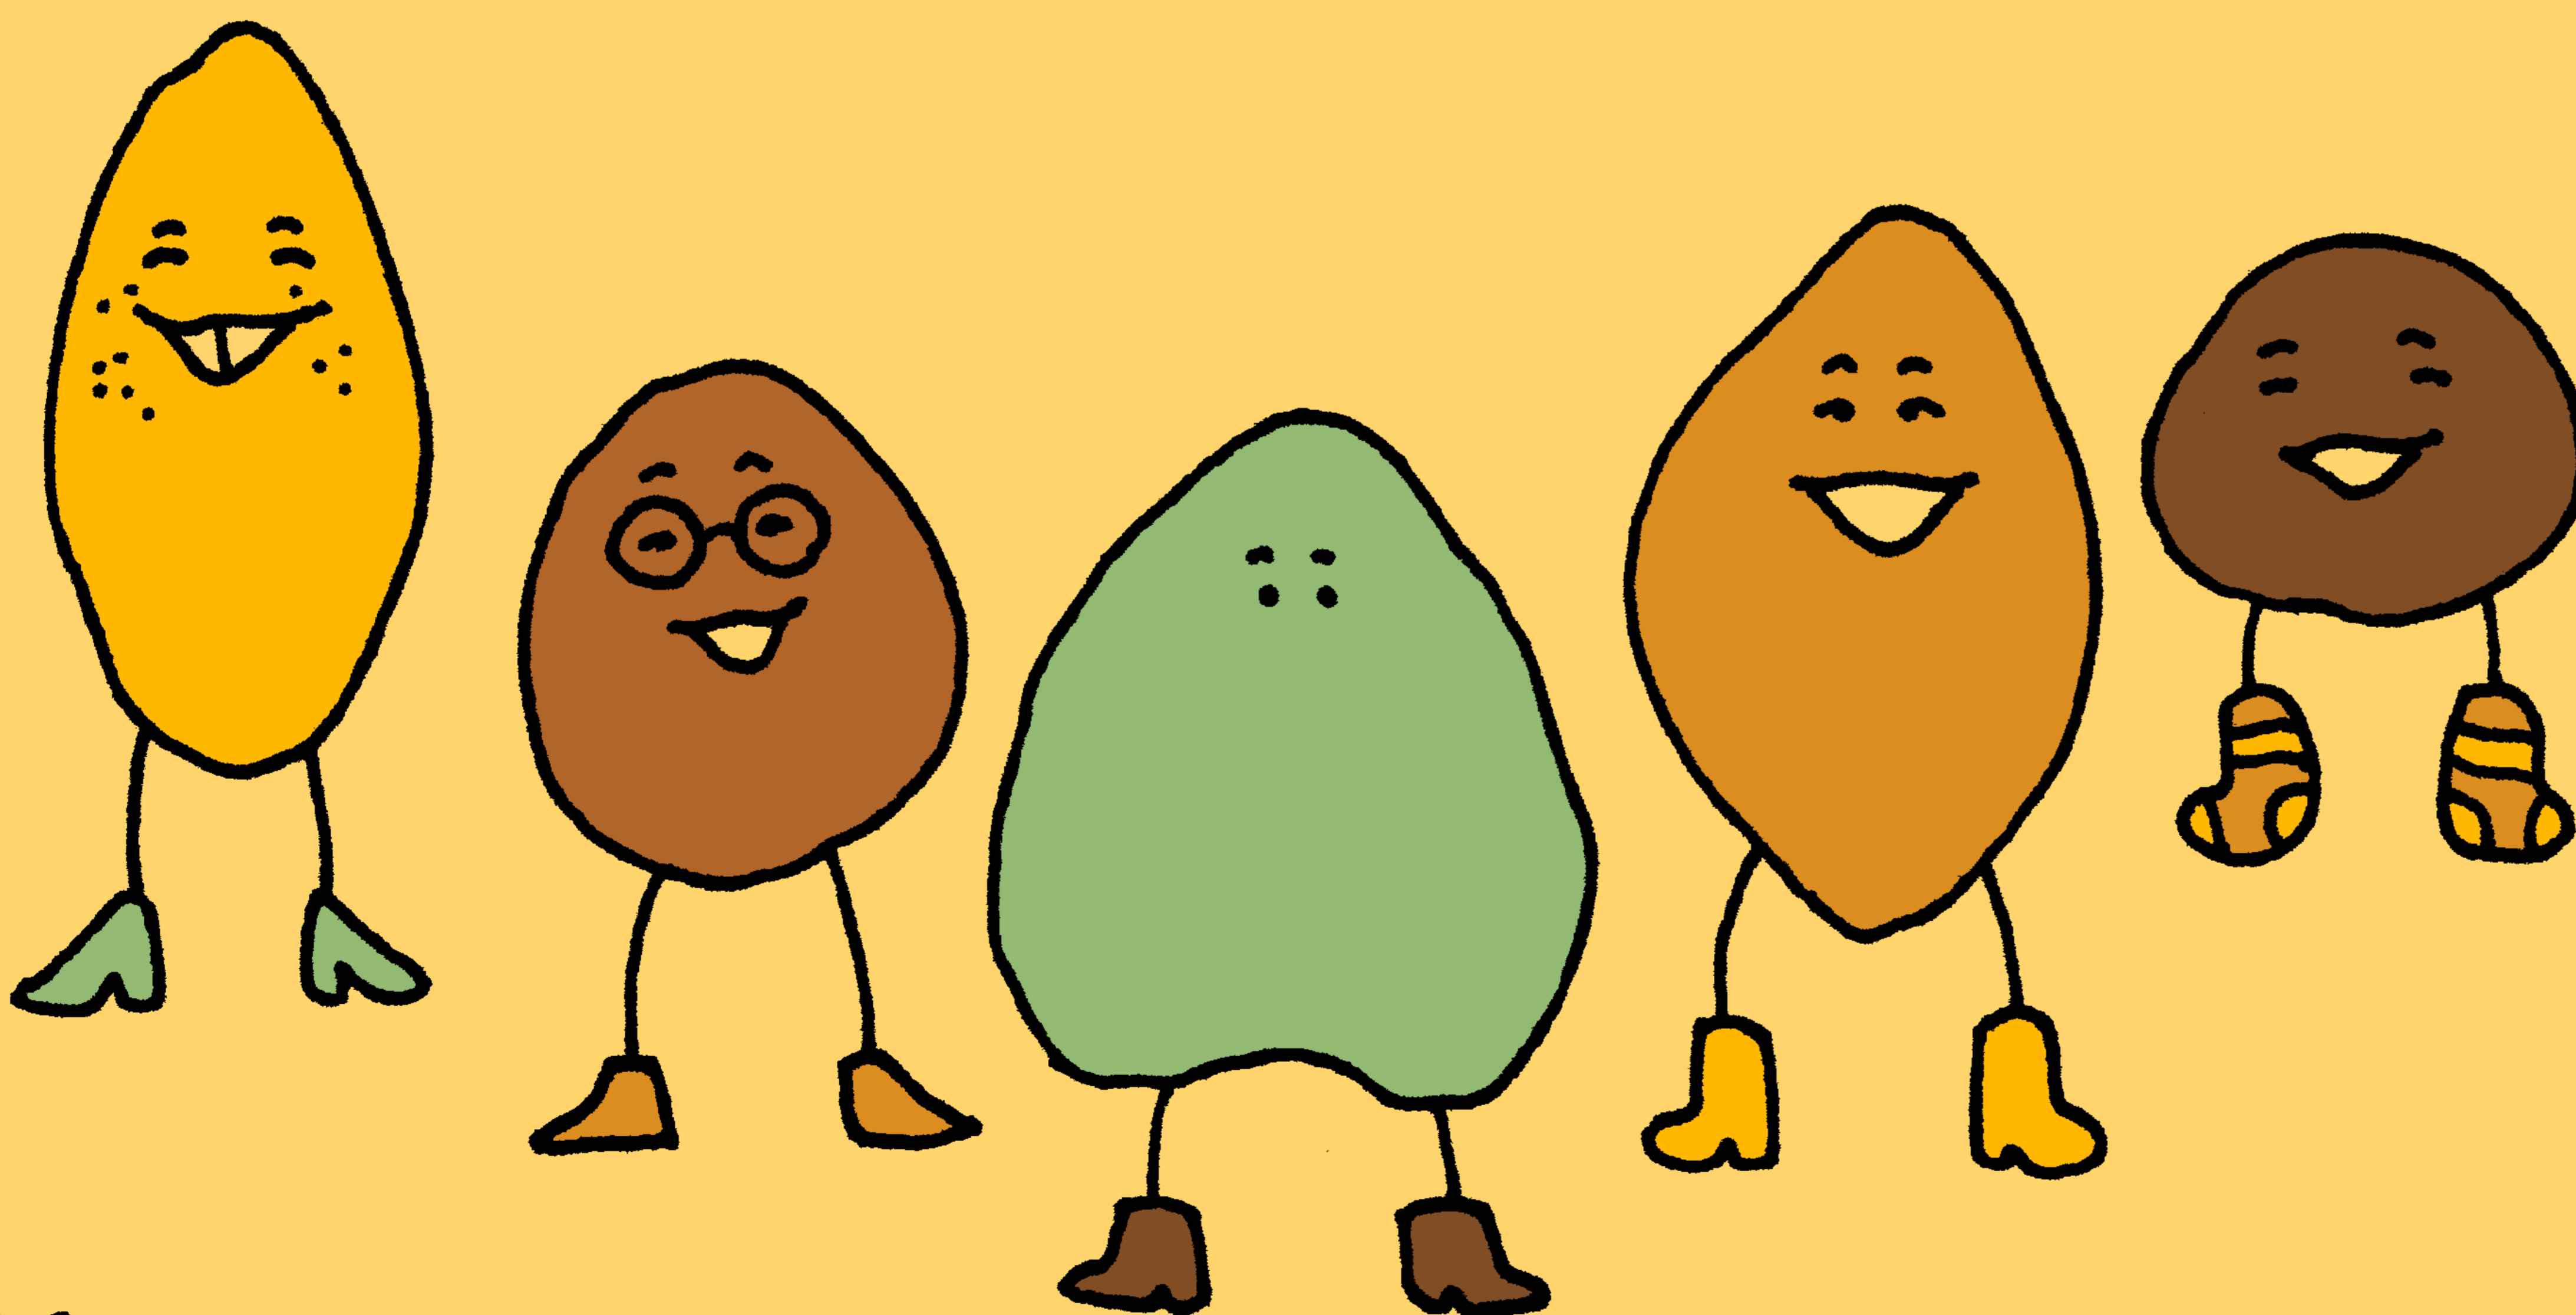

that he wasn't sweet enough a potato,

that he
was just a
dud on the
production
line of
sweet potato
evolution.

But Sisu knows better now:
He isn't totally different.

He's

JUST AS DIFFERENT.

**DIFFERENT
AND
PROUD OF IT.**
